BRISBANE FESTIVAL SUPPORTS ART FROM THE MARGINS

Brisbane Festival is uniting with Wesley Mission Brisbane to present *Art from the Margins*, a free exhibition from 10 - 23 September 2011, showcasing the creative talents of artists who are disadvantaged, disenfranchised or isolated.

Visitors to the exhibition will see strikingly original, truthful and inspiring artwork that will stimulate thoughtful reflection and provoke discussion.

Artistic Director Noel Staunton said Brisbane Festival is proud to partner with Wesley Mission Brisbane to present *Art from the Margins*.

"*Art from the Margins* is an important initiative which provides an artistic outlet for those who may not otherwise have the opportunity to display their creative talent.

"The exhibition also shows great support from the wider Brisbane community and culminates in an Artist Celebration and Award Night," Mr Staunton said.

This year, the exhibition will be extended to include markets, jazz and other live music at the various venues across Brisbane.
